

November 3, 2007

Dear Parents,

Swanson's Professional Baseball Instruction (SPBI) will begin accepting Winter Program schedule requests Friday, November 2. This early registration for fall and winter lessons is meant to help you select your preferred days and times for baseball and/or softball instruction.

Programs and lessons will be held at Farmington Sports Arena (FSA). In November and December instruction will begin at 4 p.m. most weekdays and 10 a.m. on weekends. January – March will begin at 3 p.m. on weekdays and 8 a.m. on weekends.

You may reserve space via e-mail at [swansonbaseball@yahoo.com](mailto:swansonbaseball@yahoo.com). Please specify start date; days and times requested. If possible, please offer second and third choices, as space will fill quickly. For pitching instruction in November and December, our main focus is to work on improving mechanics. SPBI will do its very best to accommodate your requests.

I should add that is important for the kids to take some time off – physically and mentally, they need at least one full month to rest. Downtime is important. Even Major Leaguers take time off, and they are the best in the world.

I hope you and your families are enjoying the fall season, and I look forward to seeing you in November.

Sincerely,

Dave Swanson
